President's Report

Hello All.

Well it’s the start of 2010, what will it bring, there are plenty of displays for May and nothing much else, so far any way.

The End of Year BBQ went very well, a very relaxed atmosphere and good company.

I’d like to thank Kerry and Erica once again for letting us make a mess at their place; hopefully it didn’t take to long to clean up?

You wouldn’t believe it, after striping Kerry’s CF Ronnie for those push rod’s I miss placed. On the Saturday after the meeting, guess what I found siting in my Lister A hopper? Yes you guessed right a set of push rods, so before the “End of Year BBQ” started I put the push rods I borrowed back into Kerry’s engine.

Remember any stories you have, Glen would like to add them to the News Letter.

Christmas BBQ

Instead of going out to a hotel or restaurant for our Christmas break-up dinner, we elected to try a BBQ at Kerry’s place. I am glad we did as it was most enjoyable,

two of our sponsors came along, Ron and Mandy from Budget Copiers and Andrew and Olivia along their two children from A&O engineering.

Those who attended include Kerry and Erika, Roger and Maureen, Rod and Kylie along with Dan and Kieran, Ian and Gwenda, Andy and Marie, Merve, Ian M, Glen, Shane and myself.

Kerry and Erika’s place is a very pleasant bushland setting up on the top of Harvey’s Range, abounding with wild life. After dark we were treated to a number of Possums and Bettongs being fed by the kids, they thought it was great.

I would vote a BBQ for next year’s break up.

dinner as it was quite pleasant being able to float around and talk to who ever you like in such good settings.
