North Queensland Field Days

This year's NQ Field Days was held in Townsville at the Stuart Prison Reserve on the 16th and 17th of May. The weather was threatening with a heavy overcast for most of the two days and light showers on the morning of the 17th, but it held off and made for a very pleasant rally. Turnout this year was excellent, with a combined display from the NQMP and BMP. This year our plot was moved to the back left corner behind the toilets, but once again this location guaranteed a constant stream of visitors dribbling through and we regularly had 20 to 30 people gathered around the fence.

Thanks to Tony Binder who has donated a First Aid kit and a pair of fire extinguishers. The stands he made for the extinguishers are a great idea, making them easy to find and easily accessible.

Attending from the NQMP were Tony Binder, Gary Blyth, Glen Harris, Keith Hendrick, Russell Spence and Ian Williams. From the BMP were Keith Batley, Peter Cvjetkovic, Bruno Fabbro, Rod Hanson, John Ross and Alf Shand.

A number of people approached the club with engines and machinery:
